“Internship/ Apprenticeship/ Entrepreneurship Cell”

Internship 2025

The Internship / Apprenticeship / Entrepreneurship Cell of Rani Indira Devi Government Girls' College has been formed with the objective of encouraging students to participate in various internship, apprenticeship, and entrepreneurship development programmes. The Cell aims to bridge the gap between academic learning and practical experience by providing students with opportunities for skill development, industry exposure, and career-oriented training. It works to create awareness about different internship opportunities offered by government and private organizations and motivates students to enhance their employability and entrepreneurial abilities. The Cell also guides students in developing professional skills, gaining hands-on experience, and preparing themselves for future career prospects.

During the internship year 2025, the Internship / Apprenticeship / Entrepreneurship Cell of Rani Indira Devi Government Girls' College introduced and organized several skill-oriented and career-focused programmes for the students. These programmes aimed at enhancing practical knowledge, employability, self-reliance, and social awareness among students. The programmes included:

Sl. No.	Name of the Internship Program	Total no. of Candidates Enrolled	Coordinators
1	Nursery Techniques and Management	55	Dr. Srijonee Choudhury
