Mentors would advise mentees on potential job paths within their academic disciplines and advise them on test prep. The Mentors would also apprise the mentee of the numerous financial aid opportunities for carrying out higher education. Apart from scheduled meeting, mentees are encouraged to keep in touch with their mentors and address any difficulties that arise.
- ❖ Mentors will monitor their mentees' academic progress and offer support and advice when needed when grades are low. The academically-weak students in the mentee group would frequently participate in group discussions and student seminars.

BRIEF DETAILS OF THE INTERACTION:

DISCUSSED ISSUES:

1. Develop the practice of writing exam responses in your own words.
2. Many students do not get good marks due to lack of text books reading.
3. It is not enough to study short type & mcq questions only, learn to write answers to descriptive questions & answer.
4. Try to attend class regularly.
5. To achieve a higher level, students must develop the habit of reading various types of books.

ISSUES RAISED BY MENTEES:

1. The number of syllabus books in the library is less.
2. The number of teachers is less compared to the fleet of syllabus.
3. Always parents do not allow to send students to college due to less vehicles on forest roads and elephant infestation
4. Due to non-availability of hostels, students from faraway places have problems coming to college regularly.

BRIEF DETAILS OF THE INTERACTION:

DISCUSSED ISSUES:

- 1.** Develop the practice of writing exam responses in your own words.
- 2.** Many students do not get good marks due to lack of text books reading.
- 3.** It is not enough to study short type & mcq questions only, learn to write answers to descriptive questions & answer.
- 4.** Try to attend class regularly.
- 5.** To achieve a higher level, students must develop the habit of reading various types of books.

ISSUES RAISED BY MENTEES:

1. The number of syllabus books in the library is less.
2. The number of teachers is less compared to the fleet of syllabus.
3. Always parents do not allow to send students to college due to less vehicles on forest roads and elephant infestation.
4. Due to non-availability of hostels, students from faraway places have problems coming to college regularly.
5. Pressure from family for marriage.
