Campus Bazaar Report

The NSS Unit-1 of Indira Debi Government Girls' College, Jhargram has successfully organized a 'CAMPUS BAZAAR' programme on 13th August 2024. The college is situated in a remote area hence there are cultural and social barriers to attaining girls' education. Lack of access, and gender disparities often limit opportunities for employment and self-reliance. The 'CAMPUS BAZAAR' mainly aimed at empowering women in these regions. The students (both present and alumni) have spontaneously joined this venture and have set up different stalls. This gathering served as a platform for the display of students' skills and provided an opportunity for selling their handmade items and crafts such as potteries, embroidered clothes handmade jewelry, and local food. Several delegates including Swami Vedapurushananda (Secretary, Eklavya Residential School), Mrs. Kabita Ghosh (Chairperson, Jhargram Municipality), Dr. Ashis Kumar Gupta (Principal, Sevayatan Sikshan Mahavidyalaya), Mr. Shubhrajit Gupta (S.D.O Jhargram), Arya Ghosh (Councillor, Ward No. 13) have attended the programme and encouraged the students for their entrepreneurial efforts. Mr. Susil Kumar Barman, Officer-in-Charge of RIDGGC has offered whole-hearted support to this endeavour. This venture not only provided financial independence to the students but also contributed to the overall development of their communities and, therefore can be frequently organised in the campus.
